

High Back Sled Frame

Designer: Graziano Faraon

FEATURES

This multi-functional range of soft seating is available in a low, medium or high back.

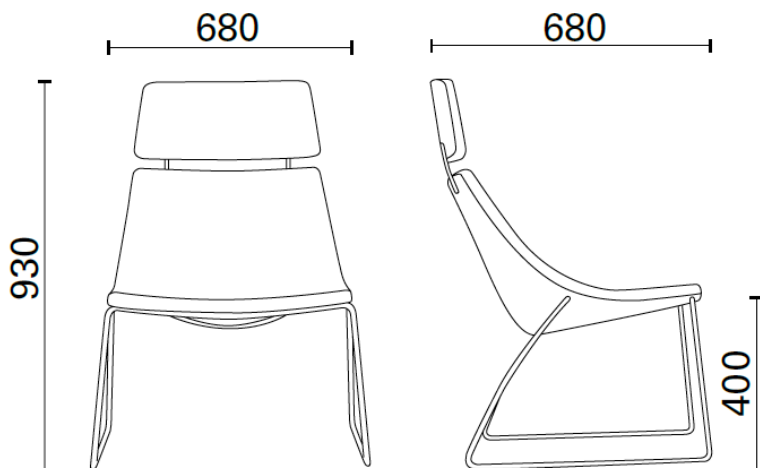

The EGG High Back chair will add a touch of style to any informal meeting or breakout space. The light and elegant steel sled base delivers a minimalist aesthetic, while the distinctive curved seat is as comfortable as it looks.

Ideal for office breakout areas, reception and meeting spaces; EGG is available in a range of base options including wood, sled, and swivel. The EGG can be upholstered in single or dual colours.

- › Seat and back, inner and outer shells and head rest are produced in laminated plywood with stainless steel fittings
